

SUBMITTAL — AB&I Foundry Certificate of Standards

This document is to certify that the cast iron soil pipe and fittings sold by AB&I Foundry meets or exceeds all applicable standards listed below. All cast iron soil pipe and fittings sold by AB&I are bituminous petroleum asphalt coated and produced in the United States of America (USA).

The cast iron soil pipe, fittings, gaskets and couplings sold by Tyler Pipe meet all requirements outlined by the Cast Iron Soil Pipe Institute (CISPI) and are listed with the International Association of Plumbing and Mechanical Officials (IAPMO), and Uniform Plumbing Code (UPC). The products are suitable for above and below grade usage.

AB&I is proud to have its soil pipe, fittings and gaskets certified by NSF to CISPI 301, ASTM A 74, and CISPI 310.

When properly installed, the cast iron soil pipe, fittings and gaskets sold by AB&I Foundry comply with the appropriate standards listed below:

Hubless (No-Hub) Pipe & Fittings:

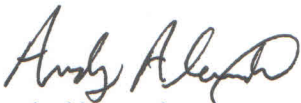

- ASTM A 888
- WW-P-104E (GSA-FSS)
- CISPI 301

Hub & Spigot Pipe & Fittings:

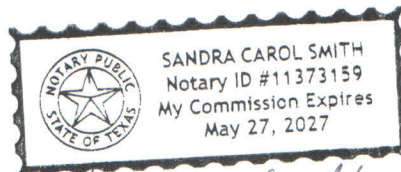

- ASTM A 74
- WW-P-401E (GSA-FSS)

Gaskets:

- ASTM C 564
- ASTM C 1563
